概要	In class, we will be using the ALC Super Standard Course materials to help students improve their listening, reading, and grammar skills. In addition, the ALC Power Words course will be used to improve each student's vocabulary. For extra study(Homework) a website has been prepared especially for the study of vocabulary relevant to the TOEIC Test.						
到達目標	To help students improve their TOEIC scores by at least 50 points by the end of the semester. The ALC Super Standard Course materials will help upper-level students improve their skills in listening, reading, and grammar. This course is specifically designed to foster improvement on the TOEIC test in both the reading and the listening areas. In addition, the Power Words course will help students reinforce their vocabulary skills and add as many as 1000 new words to their working vocabularies.

教授法及び課題のフィードバック方法	「授業は英語で行う」 In class, students will do one reading lesson and one listening lesson from the ALC Super Standard Course each week. Each student will study independently at his/her own level(based on TOEIC) to complete the work in the time given. During class, a worksheet will be completed and at the end of each class, a short quiz on the units covered during that day's class will be given. In addition to this, each student will complete two or more units of vocabulary building exercises from the Power Words course. Extra work will be to study vocabulary relevant to the TOEIC Test on a website prepared by the teacher.
