

科目ナンバー	ELP-2-009-ky			科目名	English for Global Issues II A1			
教員名	ウェイン・ベントン			開講年度学期	2020年度 後期	単位数	1	
概要	Global awareness is a must for every global citizen. In this class we will be investigating some of the major global issues which are important to the world now and will become more important in the years to come. The issues covered will be: Climate Change, Energy Resources, Food Supply, Globalization, Habitat Preservation, Health, Human Rights, Migration, Pollution, Population Growth, Standard of Living, and Water Resources.							
到達目標	This course will endeavor to acquaint the participants with many of the global issues facing our world now and in the future. The approach will be to understand what the issues are, what causes them and what measures are being attempted to alleviate them.							
「共愛12の力」との対応								
識見		自律する力		コミュニケーション力		問題に対応する力		
共生のための知識		自己を理解する力		伝え合う力		○	分析し、思考する力	○
共生のための態度		自己を抑制する力		協働する力		構想し、実行する力		
グローバル・マインド		○	主体性		関係を構築する力		実践的スキル

アセスメントポリシー及び評価方法	Presentations 40%, Written reports 40% Final Presentation and Paper 20%							
教材	Cengage Learning Global Issues Series							
参考図書	Will be provided on on the class Moodle.							
内容・スケジュール								
1週目								
授業学修内容	Syllabus Lesson							
授業外学修内容	Read the syllabus and handouts carefully.					時間数	0.5	
2週目								
授業学修内容	Orientation and detailed class planning. The next topic of study will be decided and students will start researching their topic.							
授業外学修内容	Students will do background reading on Topic 7. Textbook exercises will be completed to be handed in.					時間数	1.5	
3週目								
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.							
授業外学修内容	Students will research Topic 7 and prepare for an Oral report to be given in class. The content of the oral report will also be written up to be handed in as an essay.					時間数	2.5	
4週目								
授業学修内容	Essays will be handed in and Oral presentations will be done. Topic 8 will be decided and students will begin their research.							
授業外学修内容	Students will do background reading on Topic 8. Textbook exercises will be completed to be handed in.					時間数	1.5	
5週目								
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.							
	Students will research Topic 8 and prepare for an Oral report to be given							

授業外学修内容	n in class. The content of the oral report will also be written up to be handed in as an essay.	時間数	2.5
6週目			
授業学修内容	Essays will be handed in and Oral presentations will be done. Topic 9 will be decided and students will begin their research.		
授業外学修内容	Students will do background reading on Topic 9. Textbook exercises will be completed to be handed in.	時間数	1.5
7週目			
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.		
授業外学修内容	Students will research Topic 9 and prepare for an Oral report to be given in class. The content of the oral report will also be written up to be handed in as an essay.	時間数	2.5
8週目			
授業学修内容	Essays will be handed in and Oral presentations will be done. Topic 10 will be decided and students will begin their research.		
授業外学修内容	Students will do background reading on their Topic 10. Textbook exercises will be completed to be handed in.	時間数	1.5
9週目			
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.		
授業外学修内容	Students will research Topic 10 and prepare for an Oral report to be given in class. The content of the oral report will also be written up to be handed in as an essay.	時間数	2.5
10週目			
授業学修内容	Essays will be handed in and Oral presentations will be done. Topic 11 will be decided and students will begin their research.		
授業外学修内容	Students will do background reading on their Topic 11. Textbook exercises will be completed to be handed in.	時間数	1.5
11週目			
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.		
授業外学修内容	Students will research Topic 11 and prepare for an Oral report to be given in class. The content of the oral report will also be written up to be handed in as an essay.	時間数	2.5
12週目			
授業学修内容	Essays will be handed in and Oral presentations will be done. Topic 12 will be decided and students will begin their research.		
授業外学修内容	Students will do background reading on their Topic 12. Textbook exercises will be completed to be handed in.	時間数	1.5
13週目			
授業学修内容	Textbook exercises will be checked and research topics will be assigned. Students will be advised about how to proceed with their research. Research will begin.		
授業外学修内容	Students will research Topic 12 and prepare for an Oral report to be given in class. The content of the oral report will also be written up to be handed in as an essay.	時間数	2.5

Course outline	The overall aim of Unified English is to help you develop all the four language skills (listening, speaking, reading, and writing) in English and become effective learners and communicators. To achieve this goal, you will engage in interactive language activities with your classmates and reflect on your learning both orally and in writing.?
