科目ナンバー	ELP-1-006-	-ky		科目名	Spoken E	nglish II B4			
教員名	石川 真奈実			開講年度学期	2020年度	後期	単位数	2	
概要	This course is useful for improving your English speaking and listening skills. To improve your speaking skills you also need to develop your listening skills. This course works on both skills through interesting topics. You will also be able to develop better vocabulary and critical thinking skills. A large part of this course is focused on developing student skills, and also presentation skills We will practice these elements in each lesson. Each unit will be split between Lesson A and Lesson B. (This course is useful for improving your English speaking and listening skills. There are many interesting topics. You can also improve your vocabulary and thinking skills. You can also prayed								
到達目標	This course	ctice speaking in pairs and small groups. Also, you can develop good presentation skills.) This course will help you improve both speaking and listening skills for beginner to intermediate evels of English.

Course O utline	This course will help students build confidence in speaking English. Now is the time to skill up and communicate with your friends and people around the world. We will study real English for real situations (e.g. restaurants, shops, travel, parties, etc.). We can develop our ideas and build relationships by increasing opportunities to use new phrases and vocabulary.
