教授法及び課題の フィードバック方 法	phasize le a lesser fo 1. Studen 2 Student y do not u 3. Studen	This class is taught entirely in English using the Berlitz Method of instruction. The class will emphasize learning expressions and critical thinking skills for presentations and discussions, with a lesser focus on grammatical accuracy. 1. Students are expected to speak only English in class; Japanese is not allowed. 2 Students should participate actively in pair and group activities, and ask questions when the y do not understand an assignment. 3. Students should complete any homework assigned by the next class and be prepared to show it to the instructor.
